Example: If you have a family of 5 and the total household income is \$7433, your income falls between columns 2 & 3. This means you may qualify for Sharing, Energy Aide, Shield of Caring and the Low-Income Discount Program.

Step 4: Apply for Bill Payment Assistance Programs

To maximize funding that may be available to you, please apply for LIHEAP or Sharing first, based on your eligibility.

View the other side of this page for phone numbers or locations to apply for programs.

Upon approval of your application, your grant will post to your account within 30–45 days.

Step 5: Secure Required Documentation

When applying for bill payment assistance programs, please have the following documents ready:

- A copy of your current gas bill
- A copy of your current lease/proof of residence
- A valid driver's license
- Social Security card/numbers for all household members
- Proof of 30-day income for all household members
- Medical eligibility card for any household member who receives TANF

If you have a remaining balance after receiving a LIHEAP or Sharing grant, it is recommended you apply for Energy Aide or Shield of Caring, as you can apply for these programs any time during the program year if there is an owing balance.
